The 1980 Abstract of Votes is again produced by computer.

We attempt to provide as complete a picture of Colorado's voter behavior as our data will permit. Computations are derived not only for votes cast for each candidate and each office, but also on relative voter turn-out and voter participation by office.

The columns for "no" vote count the voters who received a ballot but chose not to vote for that office.

New features in the 1980 Abstract are found in the lay-out of the primary election. Each political party, Democratic and Republican, is listed separately so that voter turn-out reflects true party participation at the primary election.

The computer lay-out may need explanation. Candidates are listed at the top of the race compilation by name, party affiliation and column number. The votes for each candidate are shown by column number.

Also included are summaries by county of votes cast for certified write-in candidates.

Our goal continues to be to list the votes cast for each candidate for public office, and also to provide the additional information needed by political researchers and candidates to stimulate a more informed and participating voting citizenry.

Better understanding of voting patterns is important to citizens impacting their government through their ballot power, and for those officials elected to public office to more accurately represent their constituents.

GLOSSARY OF ABSTRACT TERMS

Assembly	Meeting of delegates of a political party held to designate candidates for nomination at a primary election. Assemblies are held every two years.
Convention	Meeting of delegates of a political party held to select delegates to other political conventions and to nominate Presidential Electors. Conventions are held every four years.
Initiative	For the 1980 election, the Colorado Constitution provided that 8% of the legal voters may propose any measure by petition. Article 40 of Title 1, C.R.S. 1973, as amended, provides specific procedures for submitting initiative petitions. Deadline for filing petitions with the Secretary of State is four months prior to the General Election. (Colorado Constitution) Passage of a referendum at the 1980 election changed the Constitution. Future initiatives will require 5% of the total votes cast for all candidates for the office of Secretary of State at the previous general election. The amendment requires signatures of registered electors.
Referendum	The General Assembly may propose Constitutional amendments or refer changes in the statutes to the people. In addition, the Colorado Constitution provides that a referendum may be ordered against any act of the General Assembly except laws necessary for immediate preservation of the public peace, health or safety and appropriations for the support and maintenance of the Department of State and state institutions. Such a referendum is by petition signed by 5% of the total votes cast for the office of Secretary of State. Signers must be registered electors. Referendum petitions must be filed with the Secretary of State not more than 90 days after the final adjournment of the session of the General Assembly that passed the bill on which the referendum is demanded.
